GROWTH PLAN

More patients for your clinics, Doctor Sahib

A simple plan to bring more people from Bathinda, Malout and nearby villages to your clinic, using Google, WhatsApp and Facebook. We do the work; you keep treating patients.

Bathinda · Monday to Saturday
Bansal Skin Clinic, Fauji Chowk, near MSD School

Malout · every Sunday, 10 am – 2 pm
D.A.V. Edwardganj Hospital, Court Road

What we will do

Four steps. Each one names the right place and the right day, so nobody comes to Malout on a Tuesday.

1

Your Google Maps listing

- Your clinic already shows on Google Maps as "Bansal Skin Clinic", but no one manages it yet. We will take charge of it for you.
- Correct timings, photos of your clinic, your list of treatments and a WhatsApp button.
- A separate listing for your Sunday sitting in Malout.
- Your happy patients get a link to leave a Google review, so your rating goes up with genuine reviews.

2

A WhatsApp updates group

- A WhatsApp group where only the clinic posts, so patients get updates without any chatter.
- Patients join it themselves by a link. Nobody is added without asking.
- 2–3 posts a week: a simple skin or hair care tip, your timings, the Sunday reminder for Malout.

3

Facebook & Instagram ads, only around your clinics

- Shown only to people living near Bathinda and near Malout.
- Bathinda ads run all week. Malout ads run from Thursday evening to Sunday morning, right before your sitting.
- Punjabi posters for most people, English posters for people who use their phone in English.
- One tap opens a WhatsApp chat or a phone call with your clinic.

4

Malout Live, on a fixed schedule

- Your posts on Malout Live already reach many people. We suggest one post every two months, at each change of season, with the new Malout poster.

What we need from you

Only a few things, once.

📍 Google listing
10 minutes at the Bathinda clinic. Google asks for a short video of the board and the clinic to confirm it is yours.

📘 Facebook Page
Add us as an admin on your clinic's Facebook page. If you don't have one, we will make it.

💬 WhatsApp number
Your clinic number 98552-84685 for WhatsApp Business, and who will answer messages during the day.

📷 Photos
The clinic board, the street, reception, waiting room and one photo of you.

🕐 Timings

Your closing time in Bathinda, and where you do laser and PRP.

🙋 One question at reception

Your receptionist asks every new patient: "How did you hear about us?" This tells us what is working.

Timeline

Week 1

Google listing, WhatsApp group, Facebook page set up.

Week 2

Ads start in Bathinda and Malout.

Every month

We check new patients per clinic and change posters with the season.

Your new posters

Each poster comes in Punjabi and English, sized for Facebook/Instagram posts and Stories.

Bathinda clinic · all treatments

Malout · every Sunday

Hair care · hair fall, dandruff, PRP

Laser · for the wedding season

English versions

Please check the timings and details on the posters. We will correct anything before the ads start.

Let's begin

Once we have the Google listing and Facebook page, we can go live within a week.
